

## COLLEGE UNIFORM POLICY

Students are expected to wear uniform that conforms to the regulations set down by the College authorities which upholds the dignity of all and asserts our identity as a Catholic school. Those involved in outings or trips may wear suitable clothes instead of their usual uniform if this is deemed necessary, after consultation with the Headmaster or Deputy Headteacher. Unless so approved, school uniform must always be worn. Students in the Sixth Form do not wear uniform but are expected to adhere to the dress code as advised.
